**Subject:** Hackney planning applications 2013/3186 & 2013/3187 - Wilmer Place N16

To whom it may concern,

As a member of the London Assembly I consider these applications to be of a significance relevant to my remit.

For a number of reasons, including the absence of adequate consideration of the environmental impact of the above development, I feel that these should be called in and there should be a local inquiry into the applications; heard in front of a planning inspector.

I would be most grateful to be kept informed of the progress of this request.

With kindest regards
